Reps, Josh and Dan, do not feel it is a tick box exercise but would like more opportunity to discuss</p> <p>AF to talk to Jane Pearce re young people sitting on working groups in order to have opportunity to debate plans/ideas/issues.</p>	<p>All</p> <p>AF to JP</p>	
<p>Future Projects</p> <p>Personal Safety - Chill Packs</p> <p>Group shown example of pack issued in 2008</p> <p>One felt that this was a nice to do rather than need to do. Discussion around reception received in 2008 and overall it was felt that this was a good project to take forward with year 11's, limited to 50 per school – numbers and schools to be identified.</p> <p>Funding is an issue and would be good to work with partners: EHU, police AF to contact Leanne re any leftovers packs that may be available</p> <p>Political education</p> <p>Continuation of project taking it into schools with MiPod</p> <p>Suggestion that use MiPod to consult with peers re what projects they would like SAYC to look at</p> <p>Issues identified – Political education Mental health Youth Employment Leaving School Options</p> <p>Questionnaire to be drawn up, schools identified and contacted, times of consultations to be agreed</p>	<p>AF to Leanne</p> <p>All to note</p>
